PORTA-VAULTS

SAFES, PORTA-VAULTS

SAFES, PORTA-VAULTS

SAFES, PORTA-VAULTS

Secure on the outside, meeting new Underwriters Laboratories Standards for security from attack, while meeting your needs for functionality on the inside.

Safe interiors can be configured to provide maximum utilization combining open shelves, cash lockers, teller lockers and pull out drawers to organize currency, coin and vital documents.

Safes of all sizes, left or right swing doors, any color, traditional key locking combination locks, electronic locks and time locks are available. Whatever your needs may be, our equipment professionals can assist you in designing a safe that delivers maximum security with exceptional functionality. The end result is the highest customer value in the industry.
